# CURRICULUM VITAE

\$300m.

**Residential Building  
Glasgow**

Preparation of time impact analysis for an adjudication between the main contractor and the developer on a large residential development in central Glasgow.

**Housing Contract,  
Central Belt Scotland**

Preparation of time-related analysis and claim document on behalf of Main Contractor for referral to adjudication. Contract value circa £10m.

**Various**

Numerous small adjudication submissions for smaller contractors.

**Mediations**

Has been involved in a number of mediations relating to Extension of Time issues.

**Claim Preparation Experience Includes:**

**Offshore Installation, Fife  
Large Leisure  
development, Glasgow**

Preparation of delay analysis and claim document

Preparation of a delay claim for a large leisure facility in Glasgow. Gave evidence in Court of Session

**Rising Main Installation,  
Scotland**

Preparation of a delay analysis for the purpose of submitting Compensation Event Quotations under an NEC Contract.

**Harbour Project, Scotland**

Preparation of a time impact analysis to set out Contractor's Extension of Time position in relation to events which caused delay to the completion of the works.

**Leisure and Educational  
Centre, Glasgow**

Preparation of time impact analysis to demonstrate the effect of delays to the works. The analysis enabled an accurate apportionment of delay liability between the parties and also the calculation of the effect that mitigation measures had in improving the completion date.

**Mixed Use Development,  
Anguilla, British Virgin  
Isles**

Preparation of an interim delay analysis and extension of time claim on behalf of the main contractor. The analysis demonstrated the effect of late information and late release of work areas for construction.

**New Doha International  
Airport, Qatar**

Prepared a major delay analysis to set out the contractor's position in terms of his entitlement to an extension of time. The contract master schedule had over 5,500 activities which resulted in a substantial claim document.

**Mixed Use Development,  
Belgrade, Serbia**

Prepared collapsed as-built delay analysis for local Contractor for large residential and office development in central Belgrade. Co-ordinated local staff for the preparation of narrative submissions to substantiate the analysis.

**Government Offices, Port  
of Spain, Trinidad**

Prepared time impact analysis to demonstrate effect late nomination of sub contractor's had on the completion date for project involving high rise tower. Secured full extension of time requested.

**Ninewells Hospital,  
Dundee**

Time impact analysis to demonstrate sub contractor's extension of time claim in dispute with main contractor. Facilitated successful resolution.

**Embassy Building, Abuja,  
Nigeria**

Preparation of an 'impacted as planned' delay analysis and extension of time claim on behalf of contractor with limited progress records.

**Mixed Use Development,  
South Ayrshire**

Preparation of an extension of time claim on behalf of main contractor in dispute with developer.

# CURRICULUM VITAE

**Port Facility, London** Preparation of a time impact analysis and extension of time claim on behalf of main contractor in dispute with employer.

**Hospital Building, Glasgow** Preparation of a time impact analysis and extension of time claim on behalf of sub contractor in dispute with main contractor. Mechanical and electrical works.

## Contractual Advice Includes:

**Media Building Glasgow** Provided advice to contractor relating to contractual basis for an extension of time submission.

**Car Showroom and Maintenance Facility** Time-related contractual advice to contractor seeking to establish entitlement to an extension of time

**PPP Schools** Time-related contractual advice to a contractor who was suffering deductions from a complete PPP Schools project. Also have provided advice to contractor in dispute with design team consultants.

**Housing Development East Lothian** Time-related contractual advice to a contractor engaged in the construction of a housing development for a developer.

## Contracting Experience

### **PLANNING & PROCUREMENT**

Worked on £100m Schools PPP Project from ITN stage through to preferred bidder, contractual close and commencement of works on site. Involved in the preparation of project delivery strategy for inclusion in the Contractor's Proposals.

Planning and procurement work for delivery of Prison Service facilities at a number of locations, city centre high rise developments, mixed use, industrial, leisure, auditoriums, housing.

Tender planning and prelim preparation for bids on a variety of civil and building projects for major UK contractor. Provision of in-house time-related claims services.

### **CONTRACTS ENGINEERING/PROJECT MANAGEMENT**

Have been responsible for the day to day running of a number of civil engineering and building projects including sewerage, water treatment, highway works, nuclear facilities, industrial buildings and high rise residential projects. Included the preparation of the monthly valuation, measurement surveying, preparation of claims and monthly cost versus value reports. Wide variety of Clients including Local Authorities, NHS Estates, West of Scotland Water, Coca Cola Enterprises, HBG Construction and Scottish Nuclear.
